

(Return Material Authorization)

**Conditions for the return:**

Only products purchased from UTILCELL, s.r.o. can be requested for return. Return may be required for upgrade, service calibration, repair or replacement due manufacturing defect in warranty period. Prior returning material, it is necessary to do the following:

1. Fill the RMA form and scanned, send it to the address [servis@utilcell.com](mailto:servis@utilcell.com).
2. Will be sent back the RMA number. Fill this number in the form and include the filled form in the shipment.
3. On the shipment include in a visible place the RMA number.
4. Send the package to our postal address.

**Important note:** If the package with products for return is sent without RMA number, it will be returned.
